Introducing the Windows and Grilles Series

- + Steel-core doors with a premium color finish in a broad selection of color shades, with different styles of integrated decorative windows and grilles.
- + Security is everything to us! For this reason, in all models, the glass is tempered glass. Choose from frosted, granite textured or vintage-style glass.
- + The standard color of our grilles is black, however, there is an option to upgrade to the same shade as the door.
- + The doors are painted in a special painting process of the highest quality adapted to withstand outdoor conditions. All models can be ordered in any shade from RB's color fan.
- + The door can be ordered with a moveable/fixed handle or a pull handle.
